

Essence: Sweet children, it is when devotees experience difficulties and calamities that the Father comes to grant them salvation and liberation by giving knowledge.

Question: Who can become conquerors of sinful actions? What are the signs of those who become conquerors of sinful actions?

Answer: Those who understand the philosophy of karma, that of actions, neutral actions and sinful actions and who perform elevated actions, are the ones who become conquerors of sinful actions. Those who are to become conquerors of sinful actions never have to repent for their own actions. Their actions do not become sinful.

Question: What *double service* does the Father do at this time?

Answer: The Father purifies both souls and bodies. He also takes you souls back home with Him. This divine activity is only performed by the Father, not by human beings.

Song: Salutations to Shiva.

Om shanti. You children heard the song. All of those who belong to the path of devotion sing such songs. They want to go from immense darkness into the light, and so they call out to be liberated from sorrow. You are the clan of Shiva, the Brahma Kumars and Kumaris. This is something that has to be understood. You children cannot be born through sin; you must surely be a mouth-born creation. Krishna did not have so many queens or so many children. The God of the Gita taught Raja Yoga. Therefore, all of you are surely a mouth-born creation. The expression "Father of People" is very well known. The Father comes and establishes the Brahmin religion through his mouth. The name "Prajapita Brahma" suits the father. You now belong to this father in a *practical* way. They say that Krishna is God and that Shiva is also God. Instead of saying "God Rudra", they have put Krishna's name. They even use the expression "Shankar and Parvati". They don't say "Rudra and Parvati", yet they say "Shiv-Shankar, the great deity". Now, where did Krishna come from? He cannot be called "Rudra" or "Shankar". Devotees sing praise of God but they do not know Him. In fact, the true devotees of Bharat are those who were worthy of worship. They have now become worshippers, but they are also numberwise. Amongst you, you too are numberwise. You are Brahmins, whereas they are shudras. Those who belonged to the deity religion experience a great deal of sorrow, because they are the ones who have also experienced a great deal of happiness. Your wandering from door to door has now stopped for half a cycle. You Brahmins understand the significance of this, but that too is numberwise. To whatever extent you made effort in the previous cycle, you are making the same effort now. It is not, "Whatever is in the *drama*", because you still have to make effort. The *drama* will make you children make effort. As are your efforts, so the status you will receive. We understand that we also made such effort a cycle ago. Such violence was inflicted and obstacles were created in the yagya too. You children understand that Baba has come once again. He came in the previous cycle at the time of the British Raj. The Congress Party took the Government from them and Pakistan was created. This happened a cycle ago as well. These things are not mentioned in the Gita. The time will come when they will eventually understand that this is that same period. Some already understand that God has come. God came when the Mahabharat War took place. They speak accurately, but they have simply changed the name. If they were to use the name Rudra, it would be understood to be correct. Rudra created the sacrificial fire of knowledge through which all the difficulties of the world were removed. They will understand this gradually through you. They will even say that Krishna is not God, but there is still some time before that. Otherwise, such a huge crowd would gather here that you wouldn't be able to study. It is not the law for there to be a crowd here. The task will continue to be carried out in an incognito way. If an important person were to come here, people would say that he had gone mad. Here, the Father is teaching you children. God has come to create the deity religion. He has now come to remove the difficulties of the devotees and to make the world new. There will be no difficulties here after destruction. There are no devotees in the golden age, nor are there any acts that cause sorrow. (There was a telephone call from Brother Ramesh from Bombay.) When BapDada goes away, the children become sad. A wife whose husband goes abroad remembers him and cries. That is a physical relationship, whereas this relationship with Baba is spiritual. When you become separated from Baba, tears of love begin to flow. The children who are *serviceable* appreciate Baba a great deal. Worthy children also value the Father a lot. The relationship with Shiv Baba is the highest of all. There is no relationship higher than this. Shiv Baba makes you even higher than Himself. Although you become pure, you cannot become *ever* pure like the Father. Yes, you do become pure deities. The Father is the Ocean of Knowledge. No matter how much you listen, you cannot become the Ocean of Knowledge. Baba is the Ocean of Knowledge and the Ocean of Bliss and

He also makes you children blissful. Others simply have those names. At this time, there is a very long rosary of devotees in the world. Your rosary is of 16,108. There are millions of devotees. Here, it is not a question of devotion; you receive salvation through knowledge. You are now being liberated from the chains of devotion. Baba says: When all the devotees experience difficulties, I have to come in order to grant them all salvation and liberation. Surely, the deities of heaven must have performed such actions that they were able to claim a high status. Human beings there continue to perform actions, but there is no need for them to repent for what they do. Actions here are sinful because Maya exists here. Maya doesn't exist there. You become conquerors of sinful actions. The children who now understand the deep philosophy of karma, neutral karma and sinful karma are those who become conquerors of sinful actions. You children were taught Raja Yoga in the previous cycle. I am now teaching you it again. The Congress Party overthrew the foreigners and snatched the kingdoms from the kings. They made the name 'king' disappear. Five thousand years ago, Bharat was the kingdom of great kings. It was the kingdom of Lakshmi and Narayan. When it was the kingdom of deities, it was called the land of angels. Surely, it must have been God who taught them Raja Yoga, for this is why they are called gods and goddesses. Now that we have knowledge, we cannot call ourselves gods and goddesses. Otherwise, all the kings, the queens and the subjects would have to be called gods and goddesses. However, that is not possible. The names "Lakshmi and Narayan" will not be given to any of the subjects. That is not the *law*. Even abroad, no one can give himself the name of his king. They have a great deal of respect for their king. Therefore, you children understand that the Father came 5000 years ago and that the Father has now come again in order to establish the divine land of kings. Shiv Baba has to come at this time. He, not Shri Krishna, is the Guide of the Pandavas. The Father comes as the Guide to take you home and to create the new world of heaven. Therefore, Brahmins must surely be created through Brahma; this cannot be done through Krishna. The main thing is that they have spoilt the Gita. The Father now explains: I am not Krishna. I can be called Rudra and Somnath. I give you the nectar of knowledge to drink but there is no question of a war etc. You receive the butter of the kingdom through the power of yoga. Krishna definitely receives the butter. This is the Krishna soul in his final birth. The Father is teaching this Brahma and Saraswati such actions that they become Lakshmi and Narayan in the future. In their childhood, Lakshmi and Narayan are Radhe and Krishna and this is also why the picture of Radhe and Krishna is shown with Lakshmi and Narayan. However, one is not greater than the other. The divine activities of the one God of the Gita are praised. Shiv Baba grants a variety of visions to you children. There is no divine activity of human beings. *Christ* etc. came and established a religion. They simply come and play their *parts*, and so there is no question of their performing divine activities. They cannot grant salvation to anyone. The unlimited Father says: I have come to *double serve* you children through which you souls and your bodies both become pure. I take everyone back home to the land of liberation and you then come down from there and play your *parts*. Baba explains so clearly to you children! It is very easy to explain the picture of Lakshmi and Narayan. There is also the picture of the Trimurti and Shiv Baba. Some say there should not be the Trimurti, just as others say that there should not be the story of 84 births in the picture of Krishna. When people hear that Krishna too takes 84 births and becomes impure, they become afraid. We prove to them that Shri Krishna, who takes the first birth, has to take the maximum number of births. New *points* emerge every day, but they also have to be imbibed. The picture of Lakshmi and Narayan is the easiest to explain. Human beings don't understand the meaning of any of the pictures. They just create topsy-turvy pictures. They show Narayan with two arms and Lakshmi with four arms. They do not have that many arms in the golden age. In the subtle region, there are only Brahma, Vishnu and Shankar. Even they don't have so many arms. In the soul world, there are only incorporeal souls; so where do these people with eight to ten arms reside? Lakshmi and Narayan are the first ones who live in the human world and they have two arms, but people have portrayed them with four arms. They have shown Narayan to be dark blue and Lakshmi to be fair. So, what would their children be like and how many arms would they have? Does it mean that the son would have four arms and the daughter would have two arms? You can ask them such questions. It has been explained to you children that you must always consider Shiv Baba to be the One who is speaking the murli to you. Sometimes, this Brahma also explains. Shiv Baba says: I have come as the *Guide*. This Brahma is My eldest son. They say: Trimurti Brahma. Neither Trimurti Shankar nor Trimurti Vishnu can be said. Shankar is known as the great deity. In that case, why do they say "Trimurti Brahma"? Baba created the people and so this one becomes His wife. Neither Shankar nor Vishnu can be called a wife. These are very *wonderful* things that have to be understood. Here, you simply have to remember the Father and the inheritance. It is this that takes effort.

You children have now become so sensible. You become the masters of the unlimited through the unlimited Father. The earth and the sky, everything, will belong to you. Brahmand will also become yours and then there will be the *Almighty Authority* kingdom; there will be one *government*. When it was the sun-dynasty *government*, there was no moon dynasty. Then, when there was the moon dynasty, the sun dynasty no longer existed; it had *passed* by then. The *drama* changes. These are very *wonderful* things. Therefore, the degree of happiness of you children should rise. We will definitely claim our unlimited inheritance from the unlimited Father. A wife remembers her husband so much, whereas that One gives you the unlimited kingdom, and so how much should you remember that Husband of husbands? This is such a huge attainment! There, you will not ask anyone for alms. No one there is poor. The unlimited Father fills the apron of Bharat. The kingdom of Lakshmi and Narayan is called the *golden age*. Now, it is the *iron age*, and so just look at the contrast! The Father says: I am teaching you children Raja Yoga. You were deities, and you then became warriors, merchants and shudras. You have now become Brahmins once again and you are now to become deities. So, remember this cycle of 84 births. It is very easy to explain the pictures. When it was the kingdom of deities, no one else had a kingdom. There was only the one kingdom. There were very few people there. That is called heaven, where there is purity, peace and happiness. Souls have continued to come down while taking rebirth. Those souls have taken 84 births and have become tamopradhan and they are the ones who have to become satopradhan again. Therefore, someone is surely needed to teach them how to become satopradhan. No one except the Father can teach this. You understand that Shiv Baba has entered this one at the time of the final one of his many births. He explains so clearly! Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Have all spiritual relationships with the one Father. Appreciate the *serviceable* children. Serve to make others similar to yourself.
2. We receive our fortune of the kingdom of the unlimited world from the unlimited Father. We will have a right over the earth, the sky, everything; maintain this happiness and intoxication. Remember the Father and the inheritance.

Blessing: May you be an easy yogi who tours around the three worlds in a *second* with the plane of your intellect.

BapDada gives you children an invitation: Children, put *on* the *switch* of thoughts and come to the subtle region. Take the rays of the sun, the moonlight of the moon, have a *picnic* and play games. For this, the plane of your intellect simply needs to have *refined petrol*. “*Double refined*” means firstly, in the incorporeal to have the intoxication of this faith: I am a soul, a child of the Father. Secondly, in the corporeal form, to have the intoxication of all relationships. This intoxication and happiness will make you an easy yogi and you will also continue to tour around the three worlds.

Slogan: The knowledge of elevated actions is the pen with which to draw the line of elevated fortune.
