हम आत्माएँ, हररोज़ मुरली रेग्युलर और पंकचुअल सुन, मुरली के पायंट्स पर मनन, मंथन और सिमरण कर ज्ञान रत्नों को धारण करनेवाले, गॉडली स्टूडेंट्स हैं...

We, the souls are the Godly students, listening to the murli regularly and punctually everyday...we contemplate, churn and repeatedly remember the points from the murlis, and imbibe the jewels of knowledge...

Hum atmaayen, har roz murli regular aur pankchual sun murli ke points par manan, manthan aur simran kar, gyan ratnon ko dhaaran karnewale godly stoodents hain...

Om Shanti Divine Angels!!!

Points to Churn from the Murli of July 03, 2013

Praise of Baba:

The Ocean of Knowledge, the Incorporeal Purifier, the Supreme Father, and the Supreme Soul Shiv Baba is.... My Baba...Sweet Baba...Lovely Baba...Kind-hearted Baba...Compassionate Baba...the True Father...the True Teacher...the Unlimited Father... the Almighty Authority...the Truth, the Living Being, the Blissful One and the Seed... the Bestower of Salvation... Knowledge-full...

Points of Self-Respect and Soul Study:

Slogan: Happy

Nothing is lacking in the treasure store of Brahmins... we have attained all we had to attain... by receiving Godly love only in this birth, we, the souls, become full of imperishable attainments, receive the fortune of a kingdom and

go to our sweet home and to our sweet kingdom...we are constantly cheerful and happy, which is visible in our activities, behaviour and faces...

We clean up all our accounts, and finish all accounts of extroversion in the form of thoughts and sanskaras... we become introverted by constantly remaining free from all bondages and by becoming yogyukt... we do a lot of service by becoming introverted, glorify the Father's name with the face of introversion, become liberated in life and make other souls so happy that they belong to the Father...

"I have to remain content and make everyone content"...we, the souls, the constantly happy idols of contentment, keep this slogan constantly written on the board of our forehead, bring it in our awareness every morning at amritvela, claim the certificate of the future kingdom and attain the throne...

Instead of being the embodiments of questions (prashn) in all situations, we, the souls are the embodiments of attainments (prapti), changing nature (prakriti) and stopping distress (pareshaani)...we are close to the Father, and like the Father, we are complete and perfect... by being free from jealousy and from royal desires in a subtle form, by being beyond name, regard and honour, by being ignorant of all desires, we attain honour in the heart of BapDada, the Bestower... we are the special, careful and cheerful souls, the embodiments of remembrance, who finish all mischievous games, and find solutions to reasons... by remaining combined with the Father, by having full renunciation and full transformation, by being beyond praise(prashansa) and by having constant satisfaction, (prasann), we attain the fortune of a kingdom...

We are constantly happy in our mind, our heart, with everyone, with the Father and with the drama... we are selfless and always experience everyone else to be blameless (innocent)...no matter what the circumstances arise, whether any soul who is settling his or her karmic accounts comes in front of us, whether the physical suffering of the body comes in front of us, by being free from limited desires, we have waves of happiness visible in our minds and bodies and are seen as a sparkling star with a look of happiness...

While coming into relationships and connections, we never create and sustain questions that waste time and energy...by having a birth control of the queue of questions, we remain beyond all questions and keep constantly happy hearted...

We sacrifice ourselves out of love for God, that is, have good wishes and pure feelings for everyone, sacrifice our time, our happiness and our desires for attainment of name fame or regard and follow the Father...instead of being full of questions (prashn), we renounce any desire to hear praise (prashansa) and become full of happiness (prasann)...

ॐ शान्ति दिव्य फरिश्ते !!!

आज का वरदान (TODAY'S BLESSING)

सर्वशक्तिमान के साथी बन सर्व के प्रति शुभ भावना रखने वाले चिंतन व चिंता मुक्त भव।
May you be free from any thoughts and worries by becoming a companion of the Almighty Authority and having good wishes for all.

चितन व चिंता मुक्त भव
(Be free from any thoughts & worries)

Essence: Sweet children, the Sustainer of the whole world is the one Father. He never takes sustenance from anyone. He is always incorporeal. Explain and prove this to everyone.

Question: What are the first and foremost signs of Godly students?

Answer: Godly students can never stay without hearing the murli. They would never say: I don't have time to listen to the murli. Wherever they are, they would ask someone for points and study them. So many points are given. If you don't hear the murli, how can you imbibe knowledge? This is a study. The Supreme Teacher is teaching you children and so you should never miss the murli.

Song: Tumhe paa ke hamne jahan paa liya hai तुम्हें पाके हमने..... Having found You, we have found the whole world. The earth and sky all belong to us.

Essence for dharna:

1. Become a good, clever salesman and do the business of the imperishable jewels of knowledge. In order to create an imperishable reward, connect your intellect's yoga to the one Father.
2. In order to pass with honours, become a true lover. Constantly stay in remembrance of the one Beloved.

Blessing: May you be free from any thoughts and worries by coming a companion of the Almighty Authority and having good wishes for all. Some children have thoughts that So-and-so should recover from his illness, that her child or husband should receive knowledge, that their business should go well. It is good to have this feeling, but these desires of yours will only be fulfilled when you yourself become light and take power from the Father. For this, you need to keep the vessel of your intellect empty. If you want to benefit everyone, you have to become a form of power, a companion of the Almighty Authority and continue to have good wishes. Become free from thoughts and worries; do not become trapped in any bondage.

Slogan: Those who remain beyond questions are the ones who remain constantly happy.
