O my Dadi Maa, the memories with  
you are most precious  
For your exemplary sustenance and  
divinity so gracious  
You are ever flowing Ganga of divine  
virtues and powers  
Of God's living garden, you're ever  
fragrant rose flower

In this Godly mission, your divine  
contribution unforgettable  
For you, made it from a seed to a  
huge world tree impeccable  
Seeing your divinity, Brahma Baba  
willed you all powers  
And we BK's got a loving and caring
