

Synopsis: Sakar Murli January 05 , 2015

1. The day of Shiv Jayanti should be a public holiday. In fact, only that One's birthday should be celebrated. He is the **Purifier**. The true stamp is that of the **Trimurti**. It says: Victory through Truth. This is the time of your gaining victory.
2. The Father inspires a lot of service to be carried out through you. *He even enters some children and does service.* The Father is tireless. He is the ignited **Lamp** who awakens everyone in the world. The Father is the **Death of all Deaths**. If you don't obey Him, there will be the experience of punishment from Dharamraj. You have to become sticks for the blind. Become a detached observer and see how much service you do.
3. Only Shiv Baba is the Purifier, the **Ocean of Knowledge** and the One who gives you your inheritance of heaven, He is the One you have to remember. It isn't Brahma who gives you your inheritance; he too receives an inheritance.
4. Only that One is the **Bestower of Salvation**, and so you have to follow His directions. You mustn't let your heart become attached to anyone's body. The Father says: Consider yourself to be a soul and all consciousness of your body will then finish.
5. One of the Father's principal directions is: Do not accept personal service from anyone. If you accept that happiness here, your happiness there would be reduced. All of you have to depend on the Father. It is by trying to be independent that you fall. All of you depend on Shiv Baba. The whole world depends on Him, and this is why they call out: O Purifier, come!
6. If you make a mistake, you mustn't repeat it. Pull your own ears and tell yourself: I won't make this mistake again. You must make effort.
7. All of you have now become wise with this knowledge, numberwise, according to the effort you made. Remain introverted as much as possible. Keep your mouth closed! We die a living death, that is, we sacrifice ourselves to God. We have to belong to the Father for as long as we live. We have to follow His directions. When there is senselessness, there is also defamation.

Blessing: May you be a constant donor (akhand daani) and one who uplifts others (paropkaari) , the same as the Father, by being ignorant of the knowledge of desires (ichchha maatram avidya) for the self.

Father Brahma gave his time for service. He remained humble himself and gave respect to the children and still renounced earning a name for himself for what he did. He became one who benefited others in terms of name, respect and honour and renounced everything for himself and earned a name for others. He always kept himself a server and made the children the masters. He considered his happiness to be in the happiness of the children. You have to become ignorant of the knowledge of desire, like the Father, that is, become an intoxicated beggar, be a constant donor and uplift others and there will be an intense speed in the task of world benefit. All the cases and situations will end.

Points to churn from the blessing:

To give is to receive...we, the souls, ignorant of the knowledge of desire, fulfill the desires of others and make ourselves complete...we have benevolent feelings for the self and for the world simultaneously at every second and in every thought, and receive fruit for our service in the form of instant fruit ...by performing double tasks at the same time and making the last so fast effort, we become those who wear double crowns...we are children in whom there is hope, who transform the self and the world, who constantly maintain good wishes for world benefit like BapDada, and fulfill the responsibility of love with our companions all the time...we are the most elevated souls, the world servers and world benefactors, who use time and thoughts for world service...

We are close to the Father, and like the Father, we are complete and perfect... by being free from jealousy and from royal desires in a subtle form, by being beyond name, regard and honour, by being ignorant of all desires, we attain honour in the heart of BapDada, the Bestower...
