

## Synopsis: Sakar Murli January 17, 2015

1. The **Boatman** is taking you from this shore across to the other side. *There is not only one boat; the whole world is like a big ship.* He takes that across. At this time, the Father is the **Almighty Authority**. *Day by day, Maya is also becoming a tamopradhan almighty authority.* Therefore, the Father says: You have to remember the **highest-on-high** Father with a lot of love and affection.
2. The Father is the **Remover of Sorrow and the Bestower of Happiness**. The spiritual **Surgeon** says: I have brought the gift of liberation and liberation-in-life on the palms of My hands for you. Continue to serve each other with the nourishment (**khuraak**) of knowledge and yoga. Offer spiritual hospitality to everyone on the basis of shrimat. To give someone the Father's introduction is also the true state of well-being (**khush-khairafat**).
3. You have now received the third eye of knowledge through which you now know the beginning, the middle and the end of the world. **This is the saccharine of knowledge**. Even one drop of saccharine is so sweet. *There is just the one expression of knowledge 'Manmanabhav':* this expression is very sweet. Consider yourself to be a soul and remember the Father.
4. You are lovers of the **Beloved** for birth after birth. *The Father does not become your lover.* You remember that Beloved in order to call Him here. You call out to Him even more when there is lot of sorrow. This is why there is the remembrance: Everyone remembers God at the time of suffering and no one remembers him at the time of happiness. People call out to the Father, the **Purifier**. Stay at home with your family and remain as pure as a lotus.
5. You should always remain cheerful. "Godly student life is the best." *When this one's chariot becomes ill, I sit in this one and write the murli.* I cannot speak through the mouth, and I therefore write it down instead so that you children don't miss a murli. This is spiritual service. On Godfatherly Service. Those who make good effort are called mahavirs. At this time, your lives are invaluable (**amoolya**) and you therefore also have to look after your bodies.

**Blessing: May you be a charitable soul (punya atma) and with your sanskar of Godly royalty speak of everyone's specialities (visheshta).**

Constantly consider yourself to be a special soul as you perform every action and continue to see and speak of the speciality of everyone. Having good wishes for making everyone special is Godly royalty. Royal souls cannot take into themselves things that others have renounced. Therefore, always pay attention that your eyes are closed to seeing anyone's weaknesses or defects. Sing praise of one another and exchange flowers of love and co-operation (sneh aur sahyog) with one another and you will become a charitable soul.

**Points to churn from the blessing:**

We, the charitable souls who perform elevated actions, are the spiritual social workers who give human souls the injection of purity and yoga....we make the people of Bharat, who are the residents of hell, into the residents of heaven, make them from shells into diamonds, take the sinking boat of Bharat across by following shrimat and salvage the sunken Bharat... we are the Shiv Shakti army...

We learn the well known Raj Yoga of Bharat by sitting personally in front of the Father, become worthy, and keep the aim and objective of becoming the kings of kings...we are the highest on high wealthy deities, the prosperous masters of heaven of the highest religion...we are the charitable souls who end all attachment to the old world and finish our karmic accounts with the power of yoga...we are the double philanthropists and the double donors who not only give away the jewels of knowledge, but also our bodies, mind and wealth...

We are the fortunate ones who go to the pure charitable world by conquering the five vices of maya, the five vices of Ravan and the five elements and thereby become pure, holy and supremely worthy of worship...
