

Synopsis: Happy Satguruvar ! Sakar Murli February 19, 2015

1. The **Ocean of Knowledge** is only the one Father. Purity only exists in heaven. He is also the **Ocean of Purity**. He is **the Ocean of Peace**. Only He is the **Bestower of Salvation to All**.
2. **The Father has only come to bring benefit.** You have to benefit yourself and also others. The Father gives shrimat: Consider yourself to be a soul, discard body consciousness and remember Me. This is such easy medicine.
3. **Listen only to the Father; don't listen to any human beings.** The Father teaches you the elevated deity religion (**dharmā**) and elevated action (**karmā**). You should make a great deal of effort to become soul conscious. No stones or bad words should emerge from your mouths. Conduct yourselves with a lot of love. Impure vision causes a great deal of harm. **Soul consciousness is: awareness of the imperishable.** Remain introverted and make the intellect churn. If you allow any bad words to emerge from your mouth or your vision to be pulled to impurity, you should slap yourself.
4. The Father says: Remember Me! Give up wandering around from door to door. Only this knowledge is for peace. By remembering the Father, you will become satopradhan; that's all! Continue to give this mantra. *You should not accept money from anyone until they have become strong in knowledge.* Tell them: Promise that you will remain pure, and then we can eat what you prepare with your hands; we can accept anything.
5. You have to become sticks for the blind. You know the path. The knowledge of the **Creator** and creation and liberation and liberation-in-life continues to spin in the intellects of those of you who are maharathis.
6. There is also a great deal of damage through joking and laughter. Therefore, only pure words should always emerge constantly from your mouth, never impure words (**kuvachan**). There shouldn't even be jokes or laughter (**hansi-mazaak**). It shouldn't be that you say: "I was just joking." Even that is harmful (**nuksaan kaarak**). **Don't make jokes that have any odour of vice in them.**

Blessing: May you be a living (chaitanya) lighthouse who shows the path to souls with the light of all powers.

If you constantly maintain the awareness of being a soul who has incarnated from the supreme abode to do world service, then, whatever thoughts you have, whatever words you speak, world benefit would be merged in them. This awareness will work like a lighthouse. Just as light of one colour emerges from that lighthouse, similarly, the light of all powers emerging from you living lighthouses performs the task of showing souls the way home at every step.

Points to churn from the blessing:

We, the souls, with the royalty and reality of purity, constantly dance in happiness...with truthful attitude, vision, words and activities, we are constantly cheerful in our hearts and features, eternally happy-hearted and happy-faced... With the power of purity, we can transform the vision, attitude and actions of any soul...with the purity in our thoughts, we can discern and transform the impure thoughts of any soul...we are the lights of the world, full of peace and happiness...

With the mantra of Manmanabhav and Madhyajibhav, we constantly spin the discus of self realization in detail in our intellect...while walking and moving around we remember our land of peace and the land of happiness, absolve our sinful actions, and accumulate in our account of an imperishable status... by having the land of liberation (Alpha) in one eye, the land of liberation-in-life (Beta) in the other eye, we become the light houses showing the path of happiness to all....we are the non-violent Shakti army that takes the boat across by breaking relationships with the old world and establishing a pure age, a new age, and a new kingdom of deities... we are the children of the Pandava Government who make the coat of arms for the spiritual government by writing Victory in Truth underneath the picture of Brahma, Vishnu and Shankar...
