Smriti or to Remember

Sweet child, what would you say about an actor in a drama who doesn't know the beginning, middle or end of the drama or the main actors, etc.? You should know the biography of the ONE who is the greatest Actor of all. The Bestower of Salvation for all is the ONE Supreme Father, the Supreme Soul. He is the Supreme Guru too. He also gives you children knowledge. He teaches you. His part is wonderful.

Sweet Baba, You are the main Actor of this grand epic movie. You are a Benefactor and I am a junior benefactor. I preserve the awareness that you are the Bestower of Salvation for the billions of souls in the world. The whole world depends on Your selfless guidance and teachings. Your part is wonderful and my part is wonderful.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: You have to tolerate praise and defamation, regard and disregard, happiness and sorrow.

I am determined to have an attitude of tolerance. Sweet Baba I will fill myself with remembrance of You, so that I don't fluctuate in praise and defamation, regard and disregard, happiness and

sorrow. I must maintain an attitude of tolerance so that my mind does not fluctuate. I realize that everything happens to make me strong. I don't blame anything or anyone and keep an attitude of equanimity.

Drishti or Pure Vision

Baba to Soul: He is the great Surgeon. He gives you the injection of knowledge. It is also called the ointment of knowledge. This knowledge is also called the kajal (eye make-up) of knowledge.

Today, I'm determined to wear the kajal (eyeliner) of knowledge. This defines and beautifies my drishti. With Baba, I contour my third eye with the kajal of knowledge, and so make my drishti spiritually lovely and divine. This enhances and transforms the way I perceive the world and all souls.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
