Smriti or to Remember

Sweet child: You have completed the cycle of 84 births. You children should have this awareness. You know that Baba has come to enable you to claim the kingdom once again and to change you from tamopradhan to satopradhan. You were the masters of the world; you were deities.

Sweet Baba, during the course of the day I will reaffirm the awareness: that I completed the cycle of 84 births. I will remember the study, how I was the master of the world and how I then continued to come down.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: The main defect that diverts you from the Father is that of thinking about others, of listening to and speaking of evil things. The Father's direction is: Do not listen to evil things. You children should not be involved in the business of telling stories about one person to another and then that one's stories to the first one. Renounce gossiping.

I am determined to embrace an attitude of renunciation. I will renounce thinking about others. I will turn my mind away from everyone else and have yoga with the one Rama.

Drishti or Pure Vision

Baba to Soul: The Father is incorporeal and you souls are also incorporeal.

I am determined to see the incorporeal soul in everyone I meet today.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
