Smriti or to Remember

Sweet child, the children who awaken from their deep slumber experience a great deal of happiness knowing that they are the children of Shiv Baba and that they have no worries of any kind. The Father is making us into the masters of the world where there is no mention of crying. This is the world of crying. That is the world of cheerfulness.

Sweet Baba, during the course of the day I will reaffirm the awareness that I have awakened to the extraordinary reality that I am God's child, free from worry. Baba is making me a divine being and carrying me to a world of cheerfulness and light.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: You children receive great strength in order to rule so that no one can conquer you. You become so happy! Therefore, you should pay a great deal of attention to this study. By studying this knowledge, you receive a golden spoon in the mouth.

I am determined to have an attitude of attention as I carry Godly knowledge into each scene of the day. At the heart of this

attention is care and mercy for the self. I care enough to take this golden chance and receive golden gifts for many lifetimes.

Drishti or Pure Vision

Baba to Soul: You know into what you are changing from what you were. The versions of God say, "I teach you Raja Yoga and make you into a king of kings."

In my drishti today, I focus on seeing myself with an elevated vision. I let go of seeing myself as ordinary and see myself as a royal spiritual being, a king of the mind who radiates divine treasures and extraordinary light. I also see everyone I meet has the potential to receive the same treasures and light.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
