### Smriti or to Remember

Sweet child, whatever you want and for however many births you want, whether you want to come into the rosary of eight jewels or the rosary of one hundred and eight, BapDada has made an open offer to you.

Become a master and claim your rights. There is no lock or key on any of the treasures. The key doesn't require any effort. Simply have the one thought: Whatever I am, however I am, I belong to You. Overcome the games of Maya and come and sit next to Baba.

Sweet Baba, during the course of the day I will reaffirm the awareness that "Whatever I am, however I am, I belong to you". Should any negativity come, I will remember to go and sit with you in the Home of light.

### Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

### Mano-vritti or Attitude

Baba to Soul: Constantly keep a list of the present attainments in front of you and then the question: "When will this happen?" will change into: "It is happening now". Instead of being disheartened, your hearts will become happy.

I am determined have an attitude of joy as I think of my attainments in this Godly life. This attitude of joy comes when I let go of future worries and dwell in the blessings of the present.

### **Drishti or Pure Vision**

Baba to Soul: When did the fashion of having a constantly ignited light start? At the confluence age, all of you became constantly ignited lights in the living form, and this memorial has therefore continued. So, what are all of you in your living forms? Constantly ignited lamps.

In my drishti today, I focus on seeing others and myself as ignited lamps of God. Wherever we walk, we dispel the darkness and bring illumination.

### **Creating a Wave**

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
