Smriti or to Remember

Sweet child: You souls are impure and this is why you called out to Me to come and purify you. I am now saying, remember Me and become pure! Not everyone will come and study here. Only those who studied a cycle ago will come again. Such souls will say: Baba, we met You a cycle ago; we have come here to study; we came to learn the pilgrimage of remembrance.

Sweet Baba, during the course of the day I will reaffirm the awareness: that you have come to show us children the way to change from impure to pure. Along with remembrance of You to absolve our sins, we also have to confess all the sins we have committed in this present birth, as well as all the charity done and donations given in this birth.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: See what is yours belongs to Me and how what is Mine belongs to you. You become My helper with your body, mind, and wealth, and, in return for that, this is what you will receive.

I am determined to have an attitude of being a trustee of my body, mind, and wealth.

Drishti or Pure Vision

Baba to Soul: People say that God adopted a form in order to create this wonderful play. Therefore, He would definitely play a part. Just look at God's form! See Him with the eye of the soul. Recognize Him with the eye of the intellect. Radiate His virtues and powers through the lens of your physical eyes.

I am determined to show God through the love in my eyes. For this I will constantly remember Him alone, so that this unadulterated remembrance can touch the core of others' souls. I will love Him alone, so that His love can radiate from my eyes and touch others' hearts.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
