Smriti or to Remember

Sweet child: No matter what you are doing, whether you are running your limited households or acting as instruments for running a service center, let there constantly be benevolent feelings for the world. Constantly keep all the souls of the world emerged in front of you. No matter how far away souls may be, in your awareness, they should constantly appear to be close to you or in front of you.

Sweet Baba, during the course of the day I will reaffirm the awareness of paying attention to the power of silence. I will connect my soul to the Father, and switch on my elevated feelings and good wishes. In the stillness of this space I will experience souls who are very far away to be close to me.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: At the present time you have to accumulate the power of silence. Finish all wasteful thoughts and stabilize your mind in one powerful thought.

I am determined to have an introverted attitude. I will connect my attitude to the silence inside and make it essence-full. My benevolent attitude will create a powerful atmosphere as the wonderful evidence of spiritual silence.

Drishti or Pure Vision

Baba to Soul: The One who lives beyond the five elements comes in order to reward you. Devotees say that when God is pleased with you, He rewards you by opening up the roof and giving you everything. So, here too, He comes from beyond the element of the sky in order to reward you. Your fortune is so great that even something impossible has become possible in a practical form.

I am determined to live my fortune in my practical life. For this I need to stay under the loving gaze of my spiritual Father, Teacher, and Satguru who will lead me to my destination.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
