### Smriti or to Remember

Sweet child, it is now in the intellects of you children that your days of happiness are to come again. You are making effort for this. Baba has shown you how to make effort very easily. According to the drama, this is certain, exactly as it was a cycle ago. You were deities.

Sweet Baba, during the course of the day I will reaffirm the awareness that I was a deity and I am becoming that same deity again. I am certain that I am the same soul of a cycle ago, a golden aged deity soul. Sweet Baba, "You are that same Baba of mine, from whom I was separated. You come into my life once again to teach me how to easily make effort."

### Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

### Mano-vritti or Attitude

Baba to Soul: May you be a self-transformer and become real gold and successful in every task by moulding yourself.

I am determined to have an attitude of moulding myself. I remain flexible in adverse situations and hence achieve success. My motto in relationships is: "Whether others change or not, I must change." I adopt the attitude of being first in bringing about

transformation. This attitude of moulding myself makes me real gold. I remember that only real gold has value.

### **Drishti or Pure Vision**

Baba to Soul: The aim and objective of you children is now in front of you. We are becoming that. This is the true story of becoming Narayan from an ordinary human. I keep my aim of becoming Narayan in my drishti today. I see myself and others as supremely elevated beings.

### **Creating a Wave**

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
