Smriti or to Remember

You sweetest flower-like children understand that the Father is explaining all His methods and secrets to you. The main thing is to remember the Father. The Purifier Father is sitting in front of you. He is so humble. This one has no arrogance and lives in great simplicity. Both Bap and Dada are servants of you children. You have two servants: Shiv Baba, the Highest on High, and Prajapita Brahma.

Sweet Baba, during the course of the day I will reaffirm the awareness that You, the Purifier, are sitting in front of me. You are so humble and available. I remember to engage You in my life again and again. You live in simplicity, with no arrogance, and I must do the same.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: You children should be so content inside with Shiv Baba making you happy for 21 births; you should surrender yourselves to such a Father. Here, you have to become most beloved. Do not cause anyone sorrow. You merciful children have the desire in your hearts to go and serve every village.

I am determined to adopt an attitude of contentment. This attitude of contentment with Baba inspires me to share Baba with everyone I meet. It evokes my desire to serve from the heart.

Drishti or Pure Vision

Baba to Soul: You are praised as Shiv Shaktis. Just as the Father served everyone by purifying them and making them constantly happy, in the same way, you became His helpers in doing that. The Father says: You now have to give everyone happiness through your thoughts, words, and actions. Your business is to show everyone the path to the land of happiness.

In my drishti today, I see myself as Baba's helper, a Shiv Shakti. I radiate happiness through my drishti. I show the path to the land of happiness through my drishti.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
