Smriti or to Remember

Sweet child, this is now your Godly family. The Father says: When you consider yourself to be a soul and you remember the Father, you belong to the Godly family. If you become body conscious and forget the Father, you belong to the devilish family. In one second, you belong to the Godly community and then in one second, you belong to the devilish community. You have to try to stay in remembrance of the Father while doing everything.

Sweet Baba, during the course of the day I will engrave in my awareness that I belong to You and You belong to me. I will keep imprinting on my awareness that I am a soul and I belong to the Godly family. I will keep remembering You in all that I do during the day.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: There has to be royalty. Your customs and systems should be totally distinct from those of the world. Royal people will give something or other by themselves. Some will study this knowledge and send you money. You are the ones who incur expense. Tell them: We are using our bodies, minds and wealth to serve Bharat.

I will adopt an attitude of royalty today. I will remember that royalty does not ask for anything. This royal attitude will help me throughout the cycle. When I renounce asking then my attitude becomes royal and my actions become elevated.

Drishti or Pure Vision

Baba to Soul: You know that all human beings come into this world cycle, that no one can be liberated from it. The Father explains: a human soul leaves one body and takes another. The drama is so huge. There is a soul in everyone and that soul has an imperishable part recorded in him.

I keep the whole world drama in my drishti today. I see souls and I take care to behold the imperishable part within them.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
