Smriti or to Remember

Sweet child: Amarnath Father (the Lord of Immortality) says: All of you are Parvatis. Constantly remember Me alone and you will go to the land of immortality and your sins will be absolved.

Sweet Baba, during the course of the day I will reaffirm the awareness I am an immortal and eternal soul. I remember the true story of immortality, the story of my journey through time. I am a tiny imperishable soul and my imperishable role as soul continues eternally. In this awareness, I transcend death.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: A body-conscious intellect is said to be a dirty intellect. A soul-conscious intellect is said to be like a flower. You are now becoming flowers. By remaining body conscious, you remain thorns. You children have disinterest in this old world. You have unlimited intellects and unlimited disinterest. We have great distaste for this brothel. We are now becoming flowers in order to go to Shivalaya.

I have an attitude of unlimited disinterest for the old world. I hold Shivalaya in my buddhi.

Drishti or Pure Vision

Baba to Soul: Nothing you can see now is to remain; it is all to be destroyed. Therefore, you have to make very beautiful scenes and scenery of the golden age to show what it's like. This old world has to be set on fire. You have a map of this and the new world that is also to emerge.

My third eye beholds the new world . I see but do not see the old world. Only the beautiful scenes and scenery of the Golden Age are in my drishti.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
