Smriti or to Remember

Today, BapDada is looking at His most elevated, great, pure and charitable souls. All of you pure and charitable souls, you great donors, have received special authority directly from the Father to become conquerors of matter and Maya. You have received the authority; you have received all rights, but you do not use that authority accordingly with the understanding of its real value. When you carelessly misuse something on a trivial matter for your own pleasure and comfort, or if you start thinking or speaking wastefully, you then become unable to use either your treasure of charity that you have accumulated or the Godly authority that you have been given as you should. Otherwise, even one thought of yours is very powerful. One thought of yours is like a switch that you can put on and thereby remove all darkness within a second.

Sweet Baba, during the course of the day I will reaffirm the awareness that I am a great, pure, and charitable soul. I will increase my account of charity at every second and use every thought and every second, knowing their value. I will switch on the special authority I received directly from You, and become a conqueror of matter and Maya. With this powerful thought, I will dispel the darkness of waste and negativity within.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: A pure and charitable soul means his attitude is constantly that of a world benefactor, like the Father. He is a benefactor at every second and in every thought. With his rays of mercy, he removes the darkness of sorrow and peaceless-ness from everywhere.

I am determined to adopt an attitude of a world benefactor. At every moment, with every thought, I keep this attitude of being a benefactor. I will hold compassion in my heart for every soul.

Drishti or Pure Vision

Baba to Soul: A pure and charitable soul means to be a soul through whose eyes is constantly revealed the image of BapDada and whose face constantly reveals BapDada's character.

My heart is attracted to none but ONE. The magic of unique magnetic attraction transforms my drishti. Through my drishti, souls are able to see and experience BapDada.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
